

EASY CLEAN Finish on FAUX LEATHERS

CLEANING INSTRUCTIONS: WITH EASY CLEAN FINISH ON FAUX LEATHERS

Day-to-Day Cleaning – Ink & Stain Resistance: Remove ordinary dirt and smudges with mild soap and water. Dry with a soft, lint-free cloth or towel. The use of conditioners or protectants is not required nor recommended for use on EASY CLEAN finish – its cleanability is permanent, and won't wear out.

Disinfecting - A 5:1 ratio of water to bleach solution may be used as a disinfectant. Rinse the surface well with clean water after disinfecting. Dry with a soft, lint-free cloth or towel.

Stain Removal – EASY CLEAN is resistant to most common stains. To keep your furniture looking new, stains such as ballpoint pen can be dry-erased with a clean, lint-free cloth. Firmly rub the area until the stain has been removed. Wet or gooey stains such as food stains (e.g., ketchup) or topical stains (e.g., antiseptics, lotion and cream) should first be wiped off immediately with a clean cloth or sponge, then follow the instructions above.

Stubborn Stains - If a ghost stain remains, apply a small amount of household rubbing alcohol (91% isopropyl alcohol) to a clean, lint-free cloth and rub the stain until it has been removed. Rinse with a clean, damp cloth and go! Note: Some stains, such as yellow mustard, may leave a ghost stain.

DISCLAIMER: *This guide addresses the care and cleaning of the EASY CLEAN finish. The care and cleaning methods covered in the guide will provide the best protection for these products. However, not all stains can be removed, especially if the stains are not addressed immediately. This information does not relieve the user from the responsibility for the correct and safe use of cleaning solutions not included in this guide. In addition, the product warranty will be voided if any other cleaning methods are used on this product.*
