SPRING 2019

Shannon Bowers (Dallas, TX)

The great room is infused with natural light and allows direct access to a terrace. A B&B Italia sofa is grouped with an Eames lounge chair and ottoman, a pair of mid-century French chairs upholstered with a linen from Ulster, and an antique settee upholstered in linen from Pindler. The Chinese apothecary jar, which now serves as a vase, is an antique.

Above: The master bedroom's vestibule functions as a room within a room. The white tufted sofa is upholstered with Pindler linen. An Eero Saarinen Womb chair uses a bouclé fabric from Knoll Textiles. The Italian Rococo mirror dates from the nineteenth century. Right: The California king bed is from Dmitry & Co. Artwork is by Caroline Coe.
