EXCLUSIVE BOLD DESIGNS

This coordinating pair of new exclusive fabrics have been beautifully designed with unique and bold colorations and modern artwork. Both Nouveau and Maestro take modern, geometric designs and add a punch of drama with bold color and embellishment. The colorations for both designs range from sophisticated gold and bronze to rich cerulean blues and poppy red-orange hues.

This coordinating pair of new exclusive fabrics features Abode, a bold and beautifully colored stripe that works well with Jacqueline, a gorgeous botanical embroidery in vibrant colorations. The colorations in both designs work well together and range from soft pinks and lilac to lime green and violet. These fabrics both feature traditional, classic design but through the use of bold and bright colors, they feel sophisticated and fresh.
