THE CHILDREN'S COLLECTION
EXCLUSIVELY BY PINDLER

The Children's Collection, Exclusively by Pindler, offers print designs and motifs that appeal to children of all ages – infancy to teens and beyond.

The design team at Pindler worked to create this exclusive handcrafted collection, with each design originating by sketch or painting. They drew inspiration from the playful and inquisitive nature of children and whimsical feeling of childhood. Each design, with its own unique hand and aesthetic, blends together to create a curated collection of patterns. Soft colors and playful animals lend themselves to being used in nurseries and soothing spaces, while bright colors and bolder designs work perfectly in teen room settings and beyond. From animals and insects to automobiles and the alphabet, The Children's Collection, Exclusively by Pindler, offers a wide variety of prints that appeal to children of all ages and everyone who is a child at heart.
