

EXCLUSIVE  
*Botanica Collection*

*The Botanica Collection is a large assortment of beautiful and bold floral print designs, all with unique colorations and stunning hand-painted artwork. These new patterns feature different scales and styles, which can stand on their own or coordinate harmoniously. The colorations for all designs range from soft pastels to rich, saturated hues. All patterns in the Botanica Collection are printed on a soft, drapable natural linen blended ground.*
